

Ceramics- All Levels

Welcome to the class!

North Seattle College is equipped with 5 electric kilns, 10 electric wheels, 2 kick wheels, a slab roller and an extruder. We have a large, clean studio space with plenty of work space & storage for tools & work in progress. We bisque fire to cone 06 (1850 degree f) and glaze fire to cone 5 (2200 degree f). An assortment of studio glazes are included with the class.

What you'll need to bring to class on the first day: (available at NSCC bookstore)

1. One 25# bag of Clay - that will fire to cone 6 (Vashon white, buff, red or Goldstone)
2. One pottery and clay tool set (which includes a sponge, needle tool, wire, 2 wire loops, metal rib, wood rib, and modeling stick)
3. A small towel
4. Sketch/note book

You will get dirty so please wear appropriate work cloths or bring an apron.

Be prepared to have fun.

If you have any questions please feel free to contact the instructor via NSC Continuing Education Dept.
