

“Seven Silver Rings” - Student Tools & Supplies List

Instructor: Julia Lowther

\$70 is due to the instructor on the first day of class for your sterling silver materials kit.

Please bring with you to class (*available to purchase in class from instructor):

- Jeweler's saw blades (1 doz. size 2/0)*
- Fine point tweezers (4"- 5" long is a good size)
- 3 small containers for solder chips - (ex: multi-day pill box, buddy cups, screw-together bead jars, etc.)
- Silver solder (hard, medium, & easy)*
- Flux*
- Small CHEAP paintbrush with natural bristles for flux (roughly #4 size)
- Cotton apron
- 1-2 old small hand/dish towels
- Pencil
- Fine point “Sharpie” marker
- Notebook or sketchbook
- Reading glasses, if you need a little help to see clearly 8” from your nose.

Please wear cotton clothing and closed toed leather shoes as we work with hot metal.

Fine point tweezers – are needed for precise placement of solder chips during soldering. You can buy inexpensive ones (~\$3.00) locally at both Hardwick's (they have brass ones) and Seattle Findings & Supply (stainless steel). Reputable online suppliers include Rio Grande and Otto Frei. All addresses/links below.

Hardwick & Sons
