

Dear Fellow Student,

We, the Student Administrative Council (SAC), are writing to tell you about an important survey you'll be receiving by email** within the next two weeks. The survey asks whether you will approve a new student center building on campus funded in part by a new student fee. Please take a few minutes to review the enclosed informational brochure, which explains the project proposal.

The decision to build a student center that will not only affect you directly, but all future students. As student representatives, we realize that having a new student center building could add to campus life and foster community with a central gathering space. We also realize that adding an extra fee to tuition may not be affordable to some students. The survey will ask if you are willing to pay an additional fee to help with construction for this new building. Please consider all consequences, positive and negative, before taking the survey.

We are committed to representing your voice in all relevant issues on campus. In order to do this, we need you to speak up and share your opinion about this proposal by completing the survey. Please watch for it in your email in the coming weeks.** Thank you for taking the time to let us know what you think!

Sincerely,

NSCC Student Administrative Council

**To ensure that you receive the e-mailed survey, please make sure that the college has your current e-mail address. You can update this information from the college's homepage by following this path: NSCC homepage-Online Services-Maintenance-Update your address, email, or phone. If you do not have an e-mail account, a link to this survey will be posted on the college's home page.
