

# A New “Green” College Certificate Course! “Sustainability in Healthcare”

Starting in May, 2011, North Seattle Community College will offer a new 5-credit certificate course, “Sustainability in Healthcare”. The new certificate course is part of a two-year, national Department of Labor grant “From Entry Level Jobs to Green Careers” with Northwest Hospital & Medical Center/UW Medicine, Swedish Medical Center, H-CAP (Healthcare Career Advancement Programs), SEIU 1199NW and North Seattle Community College as partners. This exciting new course, co-taught by instructors from the college and Training Fund and offered on-site at North Seattle Community College, is especially targeted to EVS workers who are currently enrolled in the “green” training at both hospitals, although all staff are welcome.

## **When and where will classes be held?**

Classes will start May 2, 2011 and run through July 11<sup>th</sup>, 2011 on Monday and Wednesday evenings from 6-8:30 pm and will be held at North Seattle Community College.

## **How much will it cost?**

All tuition, fees and book costs are paid for by the Training Fund and H-CAP grant.

## **Am I eligible?**

This new course is open to all staff at NW Hospital and Swedish Medical Center, but we want to especially encourage EVS workers, dietary and facilities staff to enroll.

## **How do I get more information?**
