

UNDERSTANDING CHILDREN

Focus: Child Development

FALL 2016
ONLINE CLASS

Join a community of online learners

Parents, teachers, early childhood professionals, caregivers & others with children in their lives-infant through young adult.

Join us and learn practical & useful information, discover helpful resources, plus gain new techniques for your work or at home.

What will we explore?

- Social/Emotional, Cognitive, and Motor Development
- Common Challenges (for parent and teachers)
- Red Flags in Development
- & other emergent topics
