Running Start Application

We’re excited you’re interested in Running Start! If you have any questions about Running Start or the application process contact:

- Christina Sheehan, Running Start Advisor: Christina.sheehan@seattlecolleges.edu
- Running Start Questions: (206) 934-7768 or northseattle.edu/running-start

TO APPLY: Complete the following steps and return the completed application to Student Success Services at North Seattle College (2nd Floor of the College Center Building):

<table>
<thead>
<tr>
<th>Step</th>
<th>Action</th>
</tr>
</thead>
<tbody>
<tr>
<td>#1</td>
<td>Apply to North Seattle College (it’s free!): [link]</td>
</tr>
<tr>
<td>#2</td>
<td>Attach a copy of placement into college-level English OR math to this application (more info on page 2)</td>
</tr>
</tbody>
</table>
| #3   | Meet with your high school counselor:  
- Complete attached Enrollment Verification Form. Must be signed by high school counselor, guardian/parent and you!  
- Attach a copy of your high school transcript to this application |
| #4   | Complete Running Start contract. Must be signed by you and parent/guardian! |
| #5   | Fill in your information on the bottom half of this form |
| #6   | OPTIONAL: Complete fee waiver eligibility form if you qualify for free/reduced lunch at high school |
| #7   | OPTIONAL: Complete attached release of information form |
| #8   | Turn in this completed application packet to Student Success Services (map on back of this form) and set up an advising appointment |

*Students needing 504 or IEP accommodations should contact the Disability Services office at ds@seattlecolleges.edu or 206-934-3697 at least four weeks prior to the start of the quarter. The Disability Services office is located on the 2nd floor of the College Center building.*

Running Start Enrollment Verification Form
To be used beginning with the 2018–19 school year

Student

Student Name: ___________________________ First Name ___________________________
Last Name ___________________________ MI ___________________________
Home Phone: ___________________________ Cell Phone: ___________________________
Email Address: ___________________________ SSID#: ___________________________
Responsible Parent/Guardian: ___________________________ College SID #: ___________________________

College: ___________________________ College Term: ☐ College Quarter ☐ College Semester
School Yr: ___________________________ Fall, Winter, Spring Qtr. / 1st or 2nd sem.
High School: ___________________________ District: ___________________________
Grade Level: ☐ Junior ☐ Senior ☐ 5th Yr Senior ○

For the college term ☐ above, the student will be enrolled in high school and skill center classes

equals _______________ full-time equivalent (FTE).

Student may register for a maximum of _______________ college credits, without
incurring college tuition costs, based on the above stated high school/skill center FTE.

* Weekly Minutes based on high school bell schedule.
Ø For community and technical colleges only, students qualifying for 0.60 FTE college enrollment and
registered for exactly 10 credits, will be granted a 1 credit waiver for the 10th credit. For four-year
baccalaureate colleges, students who qualify for 0.60 FTE may only register for 9 credits.
A Student enrolled in both high school and skill center classes and claimed for more than a combined 1.0
FTE qualifies for 0.20 Running Start FTE. When a student is enrolled in both the high school and skill
center and taking less than 1.0 FTE, the standard Running Start calculation applies.
∆ For the winter college quarter and for students enrolled in a high school with a semester schedule, use
the student’s second semester schedule.
Available for meeting district, charter school, or tribal compact school’s graduation requirements only
(WAC 392-169-055(4)).

College Running Start Advisor Printed Name ___________________________ Phone Number ___________________________

I understand that:
• The student is responsible for understanding when his or her choice of schedule will result in tuition charges. If the student enrolls for more high school and college credits than are identified in the Running Start State Funding Limit Table, the student is responsible for:
  1) paying all college tuition and fees associated with exceeding the college credits identified in the table; or
  2) withdrawing from the excess college or high school course(s).
• The student is required to pay any class/lab fees charged for college classes.
• Enrollment in specific college classes cannot be guaranteed – even if the classes are needed to fulfill high school graduation requirements.
• If the student begins Running Start in winter or spring term, eligibility for the previous term(s) that year is forfeited.
• To add/withdraw from a course, the student must complete the college Add/Drop process by the college deadline and notify the high school counselor.
• The student is responsible for ensuring that college courses completed as part of the Running Start program will meet high school graduation requirements.
• If the student plans to transfer, it is the student’s responsibility to determine college admissions policies/deadlines and whether credits will transfer.
• The student and parent’s signatures below provide permission for the high school and college to share the Running Start student’s academic records, which can include the student’s grades, billing, registration, and attendance records regardless of whether FERPA rights belong to the student or parents. See the FERPA statement on the back of this form.
• After completing the college coursework, students are responsible for requesting official college transcripts through the college’s registrar office.
I acknowledge that I have read, understand, and will comply with the conditions of Running Start participation and the expectations of college course enrollment.

Student Signature (REQUIRED) ___________________________ Date ___________________________
Parent/Guardian Signature (REQUIRED) ___________________________ Date ___________________________

FORM SPI 1674 (3/2018) This is a two page form, with the details and instructions printed on page 2.
Questions: Students & Parents/Guardians contact local high school; High school and business administration staff, call OSP at 360-725-6300.
PURPOSE: The RSEVF ensures that a student’s monthly enrollment does not exceed the allowable combined 1.20 full-time equivalent (FTE) limitation. This form provides the college the FTE available for Running Start enrollment, provides the high school with the enrolled classes, and notifies the student and their parents/guardians if tuition charges will occur.

The RSEVF is required to be completed each college term for each student enrolling in college classes through the Running Start program, including home-based and private school students. Students attending more than one college for any college term are required to have a separate RSEVF for each college. When a student will be attending multiple colleges, the appropriate box in the upper right hand corner of the RSEVF must be checked.

If the student’s high school or college enrollment changes during the college term, a revised RSEVF must be completed and the appropriate box in the upper right hand corner of the RSEVF must be checked.

FTE AND AVERAGE FTE (AAFTE) LIMITATIONS: Running Start students may not be claimed for a combined high school and college enrollment that exceeds 1.20 FTE for any month except January. Neither the high school nor college enrollment for any month except January, may exceed the allowable combined 1.20 full-time equivalent (FTE) for any month except January. Neither the high school nor college enrollment for any month except January, may exceed the allowable combined 1.20 FTE, except for students enrolled in a high school or skill center.

When a student is enrolled in both a high school and a skill center and claimed for more than a combined 1.0 FTE, the available Running Start enrollment is limited to a 0.20 FTE. When a student’s combined high school and skill center enrollment is less than 1.0 FTE, the standard Running Start calculation applies.

This 1.20 FTE limitation applies to the average annual FTE (AAFTE), where a Running Start student may not be claimed for a combined high school and college enrollment that exceeds 1.20 AAFTE for the school year. High school and skill center AAFTE is the 10-month average of the FTE reported for the months September through June. Running Start AAFTE is the 9-month average of the FTE reported for the months October through June.

Students that exceed the 1.20 FTE or AAFTE may be charged tuition by the college for the excess in this limitation.

When the high school first semester and the college winter quarter overlaps in January, a Running Start student can be claimed for more than a 1.20 FTE for that month only. When planning for the winter quarter and the high school has a semester calendar, counselors should use the second semester to determine the available FTE for winter quarter. When this overlap occurs, the student may be subject to a reduced FTE or to paying tuition for the spring college quarter, if the 1.20 AAFTE would be exceeded. Completion of the Spring Quarter Eligibility Adjustment Form (SQEAF) will identify students at risk of exceeding the 1.20 AAFTE and will calculate the reduced available FTE for the spring quarter. For students whose spring quarter available FTE is reduced, a completed SQEAF must be attached to the spring quarter RSEVF and the appropriate box in the upper right hand corner of the RSEVF must be checked.

Students attending more than one college for the spring quarter must have the SQEAF attached to each college’s RSEVF.

For more information refer to the annual bulletin regarding the 1.20 Running Start FTE limitation.

FERPA Statement: The Family Educational Rights and Privacy Act of 1974 provides that FERPA rights transfer from the parent to a student who is at least 18 and/or who has enrolled in a college, even while still enrolled in high school. Students 18 and older and/or who have enrolled at a college must give permission in writing to the college in which they have enrolled in Running Start classes for another individual to speak to the college staff about their Running Start academic records, which could include grades, billing, attendance, and registration records.

INSTRUCTIONS FOR COMPLETING THE RSEVF

STUDENT SECTION: The RSEVF begins with the student completing the first section of the form. Students who are under the age of 18 at the beginning of the college term, must provide their parent/guardian information. The student’s high school student identification number (SSID) is available at the high school guidance office. If the student does not know his/her college student identification number (SID), refer to earlier completed RSEVF. If the student is new to the program, the college SID is available on the processed college application.

HIGH SCHOOL COUNSELOR/RUNNING START ADVISOR SECTION:
The high school counselor and Running Start advisor complete this section.

School Year: Indicate the school year during which courses will be taken.

College Term: Select the college term that the student will be enrolling in. For colleges on a quarter calendar, indicate which quarter – Fall, Winter, or Spring. For colleges on a semester calendar, indicate which semester – 1st or 2nd.

High School and School District: Fill in the student’s primary high school and resident school district. If the student is enrolled in a charter school or tribal compact school, leave “School District” field blank.

Grade Level: Indicate the student’s grade level. Students in 11th and 12th grade are eligible to enroll in a Running Start program. Fifth year seniors are limited to only taking Running Start classes that will fulfill the student’s district, charter school, or tribal compact school’s graduation requirements only, pursuant to WAC 392-169-055(4) and must have participated in Running Start during their 11th or 12th grade year.

Determining the Student’s High School FTE: FTE in high school and skill center classes is calculated based on a class’s weekly enrolled minutes and eligible passing time. One thousand, six hundred and sixty five (1,665) weekly minutes equals 1.0 FTE. Refer to the high school and skill center master schedule available at the registrar or business administration office for the exact weekly minutes and the FTE for each high school class. Add the FTE for each enrolled class to determine the student’s total high school and skill center FTE.

Determining the Student’s Available Running Start FTE: Running Start FTE is based on the enrolled college credits. Fifteen college credits equal 1.0 FTE. Use the Running Start Funding Limit Table on the front page to determine a student’s available Running Start FTE. Find the row with the student’s high school and skill center FTE. Refer to the Max FTE column to determine a student’s maximum Running Start FTE. The Max Credits column converts the maximum Running Start FTE to Running Start credits.

Recommended Running Start Classes: The student, with the help of the high school counselor and Running Start advisor, should fill out the requested college courses. The high school equivalency portion of the table can be completed by the student if an official high school list of equivalencies is available. Otherwise, this section is completed by the high school counselor.

Signatures of High School Counselor and Running Start Advisor: Both the high school counselor and Running Start advisor should review the form for accuracy, enter his/her printed name, date, phone number, and signature.

STUDENT & PARENT/GUARDIAN SECTION: The student and parents should review the completed form for accuracy and understanding, then sign and date the acknowledgement at the bottom of the form.

DISTRIBUTION OF RSEVF AND RECORDS RETENTION: Copies of the completed form should be retained by both the high school and college. The original form is kept by the student and his/her parent or guardian.
RUNNING START CONTRACT

I, ____________________________ (print), a student in the Running Start program at North Seattle College (NSC), and I, ____________________________, a parent/guardian of a student in NSC’S Running Start program, understand the following:

College processes:
- All North Seattle College courses will become part of the student’s permanent college record.
- Students must inform the NSC Running Start office if they are simultaneously enrolled in more than one college.
- Students must submit a new enrollment verification form every quarter.
- A student may participate in Running Start for a maximum of six quarters – three quarters during their junior year and three quarters during their senior year.

Confidentiality of information:
- Only students have access to their own college grades and records. Parents/Guardians may obtain a student’s record only if the student signed a release form.
- College instructors will not notify parents or high schools when a student is failing or not attending a class and cannot inform parents of a student’s academic progress.
- High school officials will not be able to inform students or parents of enrollment or progress in college courses, nor issue diplomas, until college transcripts are received by the high school.
- I understand that my transcript will be released to my high school at the end of each quarter.

Course Selection and Participation
- Classes needed to satisfy high school graduation requirements should be taken before electives and prior to a student’s final quarter.
- Students are responsible for meeting high school graduation requirements and for determining how high school and NSC courses meet two-year and four-year college requirements and requirements of specific programs. Students should meet with both their high school counselor and Running Start advisor for academic advising.
- Students are responsible for arranging their college class schedule so it does not conflict with their high school schedule.
- If a student wishes to drop a class, the student is responsible for officially withdrawing by the eighth week of the quarter. Permission from the Running Start advisor is required both to add and drop classes. If a student drops a class after the second week and before the eighth week of the quarter, a “W” grade will be issued and no credit earned on both college and high school transcript.
- My parent/guardian and I understand that I am expected to participate fully in all course activities, including labs and field trips, and give permission to do so. I understand that a college course may give exposure to alternative viewpoints and may include material of an adult nature. Additionally, social interaction with individuals of all ages and backgrounds may occur.
- Students needing reasonable accommodations provided by an IEP or 504 plan must contact the Disability Services office at North Seattle College on a quarterly basis. Disability Services may be reached by email: ds@seattlecolleges.edu or by phone: 206-934-3697.

Costs
- Students are responsible for all non-tuition costs at NSC, including textbooks and required course materials, course fees, testing fees, photo ID card, transportation, mandatory fees, tuition for credits in excess of 15 and for below-college level classes (i.e. MATH 098). Students also are responsible for paying for credits beyond a combined 1.2 FTE course load of high school and college courses.

ATTENTION RUNNING START STUDENTS

Are you eligible for the free or reduced lunch program at your high school?

If you are eligible for the free or reduced lunch program at your high school, please complete the waiver form below and obtain your high school counselor’s signature.

- To waive the placement test fee, please submit this form to Testing Center staff when you schedule your placement test.

- The completed form also will allow you a waiver for other mandatory fees (ranging from $5-$150) and to participate in the Running Start book fund (borrowing textbooks rather than purchasing them at a cost of $50-$400 per quarter).
